CHRISTMAS HAMPERS

How to order, this is important, please read...

All Christmas Hampers are pre-set and pre-paid for speed of collection. To keep customers moving through the shops all hampers are to be ordered at www.fieldsofanlaby.co.uk **NOT INSTORE**. This is to help us serve you as fast as possible.

If you are not confident using a computer or shopping online don't worry, call into the shop and one of the Fields Team can help you or do this on your behalf. Just Ask!

We cannot alter hampers as this leads to confusion and mistakes, so they are pre-set only. They have everything you need for the festivities, there are also additional stuffing & trimmings packs and additional pork pie packs for those who like a little more, just add these to your hamper to make it bigger! If these do not suit your needs, or you would like to choose your meats separately then this can be done as normal by visiting the butcher's shop, or call us on 01482 657497.

All meats, poultry & pork pies can be ordered as they always have been in the Butcher's. You will be given a collection slip.

COLLECTING ORDERS

TO COLLECT A PRE-PAID HAMPER PLEASE GO TO THE DELI, NOT THE BUTCHERS. This is to reduce the queue in the butchers for those collecting individual items or choosing items on the day.

If you order online you must print the order notification invoice which we email to you at the time of your purchase and bring it as proof of purchase. We must have this to locate your order and for proof of purchase. This is to protect your order from theft.

Order receipts on mobile phones will not be accepted, we need a printed hard copy as our staff need to take these off you while you are in the queue to find your order so its ready for your server. **PLEASE DO NOT QUEUE UP WITHOUT YOUR ORDER RECEIPT**, you will be asked to go and get it as we have to be able to serve you quickly and efficiently.

If you order in the butcher's, you are given a different type of collection slip which is your receipt, your order details and proof of deposits paid. Everybody gets one without fail, without this we cannot find your order and we will not have the time to hunt through order books like we used to, so please help us to help you to keep things moving quickly.

Thank you for your understanding and thank you for your continued support.

CHRISTMAS
ROASTING JOINTS

FIELDS DRY AGED BEEF
Choose from Sirloin Roasts, Ribs of Beef, Tomahawks, T Bones, Topside and Silverside. All of our beef and steaks have been hung and matured in our Himalayan Pink Salt dry ageing room for extra flavour and tenderness.

FIELDS STEAKS
Choose from Fillet, Sirloin, Ribeye, Rump, T-Bone, Tomahawk, Picanah and Bistro.

GAMMONS & HAMS
Home cured and Cheshire oak hams, very lean and never salty, we cure these ourselves. Boiled or roasted the flavour is divine and great to cut when cold.

PORK ROASTING JOINTS
The roast loin of pork is the best joint you can get, it is the sirloin from a pig and it is much nicer than the leg which can go dry. The loin, with a little more fat, is great for crackling and for keeping the meat moist and succulent. It's easier to carve than a leg joint as you're cutting across the grain which keeps it tender. The belly is great for cooking low & slow, and boneless Pork Shoulders for pulling, a pulled pork treat.

LAMB ROASTING JOINTS
Delicious free range lamb. Choose from a whole of half leg, a boneless noisette lamb roast or racks of lamb, (these can be prepared as individual racks, a guard of honour or a crown of lamb by request).

GAME
Pheasant, rabbit, quail and other birds by request. (subject to availability).

NB. Whilst we make every effort to get all hamper weights as close as possible to what is stated item weights are approximate.

FIELDS GIFT CARD
If you would like to give someone special a lovely gift or to just say thank you, then you can do this with a Fields Gift Card. These are like a plastic credit card, they come with a small card and envelope, they start at £10, we have £20 £30 £40 and £50 denominations which can be put together to make any amount.

Please note we do not give change as cashback and they must be spent in one go. Gift cards can be redeemed in either the Butchers, Deli or Craft Gin House.

FROM THE DELI & CAFÉ
We have pre-made hamper baskets at various sizes and prices with an array of treats, wines, cakes, condiments and chocolates. Choose from the display or discuss your needs with one of the team.

If we don't do this, we may be unable to supply you and we can't afford to let our customers down like the supermarkets do! We care and understand how important this is to your families' festive celebrations. All deposits are non-refundable, sorry but deposits are there for a reason - to guarantee your order. I must commit to my farmers so it's only fair that you also commit to us. Cancellations are beyond our control as we have already bought your festive meats and poultry.
